Point to the American flag. Then say, “C’est le drapeau américain. De quelle couleur est-il?”

information

Using flags of various European countries, point to individual flags and, using the adjective of nationality, ask questions such as the following question several times:

De quelle couleur est le drapeau belge, espagnol, etc.

student task

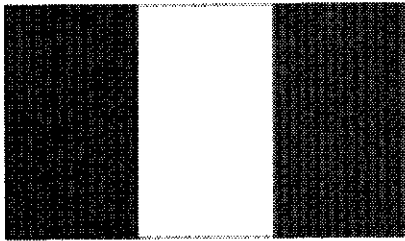

Tell the students to take out worksheet **8a** and color the eight flags according to the colors written in French below or on the side of each one. Then tell them to cut out the individual flags, and using information found in a dictionary, encyclopedia, or on the web, paste each flag above the names of the flags found on worksheet **8b**.

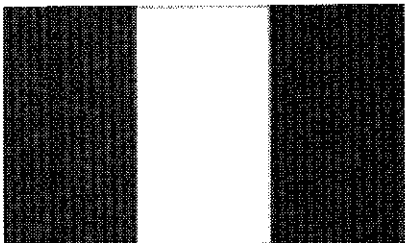

feedback

Tell the students to work in groups of three and to compare (1) the color of each of the flags and (2) the identity of each one. Then the teacher can verify with the whole class by asking various individuals to answer questions like the following:

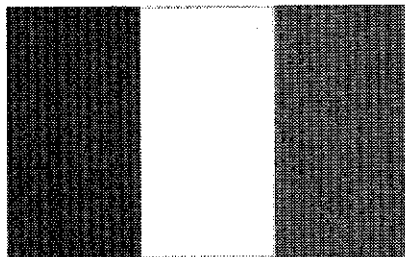

“De quelle couleur est le drapeau irlandais? ...français? ...allemand? ...etc?”

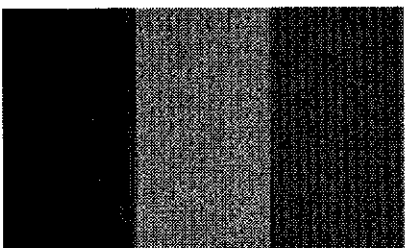

bleu blanc rouge

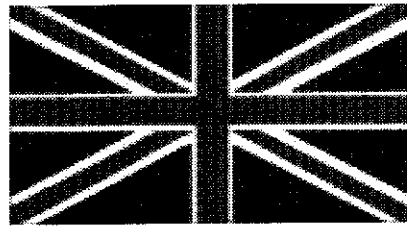

vert blanc rouge

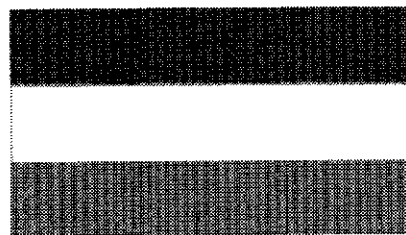

vert blanc orange

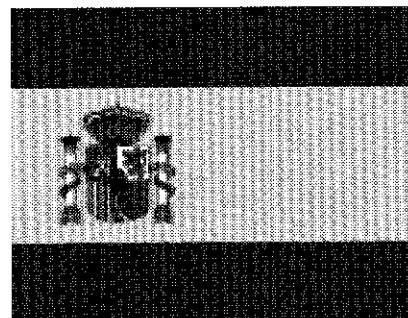

noir jaune rouge
