The forms in the following pages should be used when developing a new teacher portfolio for regular or special education-I.

Dear Parent/Guardian:

This year I am involved in the process of creating a portfolio as part of my work in the Louisiana Teacher Assistance and Assessment Program. The portfolio documents my teaching knowledge and skills.

I have decided to include a video of my class and my teaching in the portfolio. I would also like to include samples of student work as evidence of my teaching practices. My development of the portfolio will be shared with my mentor and my administrator, who will handle the material confidentially.

Please indicate below if it is permissible to include your child on videotape, to use his/her work, and to use his/her first name only in my documentation. Please return this letter to me by _____.

Thank you for your cooperation and assistance.

Sincerely,

Yes, you have my permission
